

Ehlel Brand
Company Introduction

About us: what is **Ehlel Brand**

It is a world-class brand of cell phones and related accessories. Our history dates back to 2007 and today we are operating with official representative offices in the city of Shenzhen, PRC and New York City, USA. Our company has about 250 workers and employees and has authorized dealers in the USA, Turkey, Japan, the Republic of Korea, PRC, the Russian Federation, the Republic of Kazakhstan and Mongolia. The company is headquartered in Guangzhou City, Guangdong Province, China. Our company also has an official store in the street HuaQiangBei for selling cell phones and related accessories in Shenzhen city. In carrying out our business, we work following at the highest level the requirements of intellectual property and standards and have successfully registered our trademark in the PRC, USA, EU, Japan, Republic of Korea, Russia, Kazakhstan, Turkey and Mongolia.

We conduct our business in the form of online and offline activities under the principle of granting the right to the dealership and currently have official stores on Alibaba.com, Aliexpress.com of Alibaba Group, 1688.com, Taobao.com of the PRC and on the world-famous Amazon.com.

Today we sell goods and products of 73 items all over the world. In addition to selling cell phones and related accessories, our company is also engaged in other sectors.

Head Office: Shenzhen City, PRC.

Branch offices: New York City, USA, and Ulaanbaatar City, Mongolia.

Enterprise Culture

Ehlel Brand

Corporate vision

Save time and costs for the consumer by producing state-of-the-art technology that prioritizes high quality.

Core mission

Become a technology brand that expresses quality and innovation on a global level.

Value

The satisfaction of the consumer is our satisfaction too, Win & Win, liability

The slogan

See your dream come to life.

Future goal

We are working towards the goal of having authorized dealers in 160+ countries in the world in the next five years.

Advantages Ehlel Brand

Low price

we are guided by and realize the pricing policy of offering the lowest price to the consumer and customer; in long-term cooperation, we offer a profitable lower price.

Quality products

Created following international standards and valued the highest quality.

Innovative solution

innovation and innovative unique designs are incorporated into each product.

Peculiar design

our product design is smoothed with stylish and elegant Premium, Modern models.

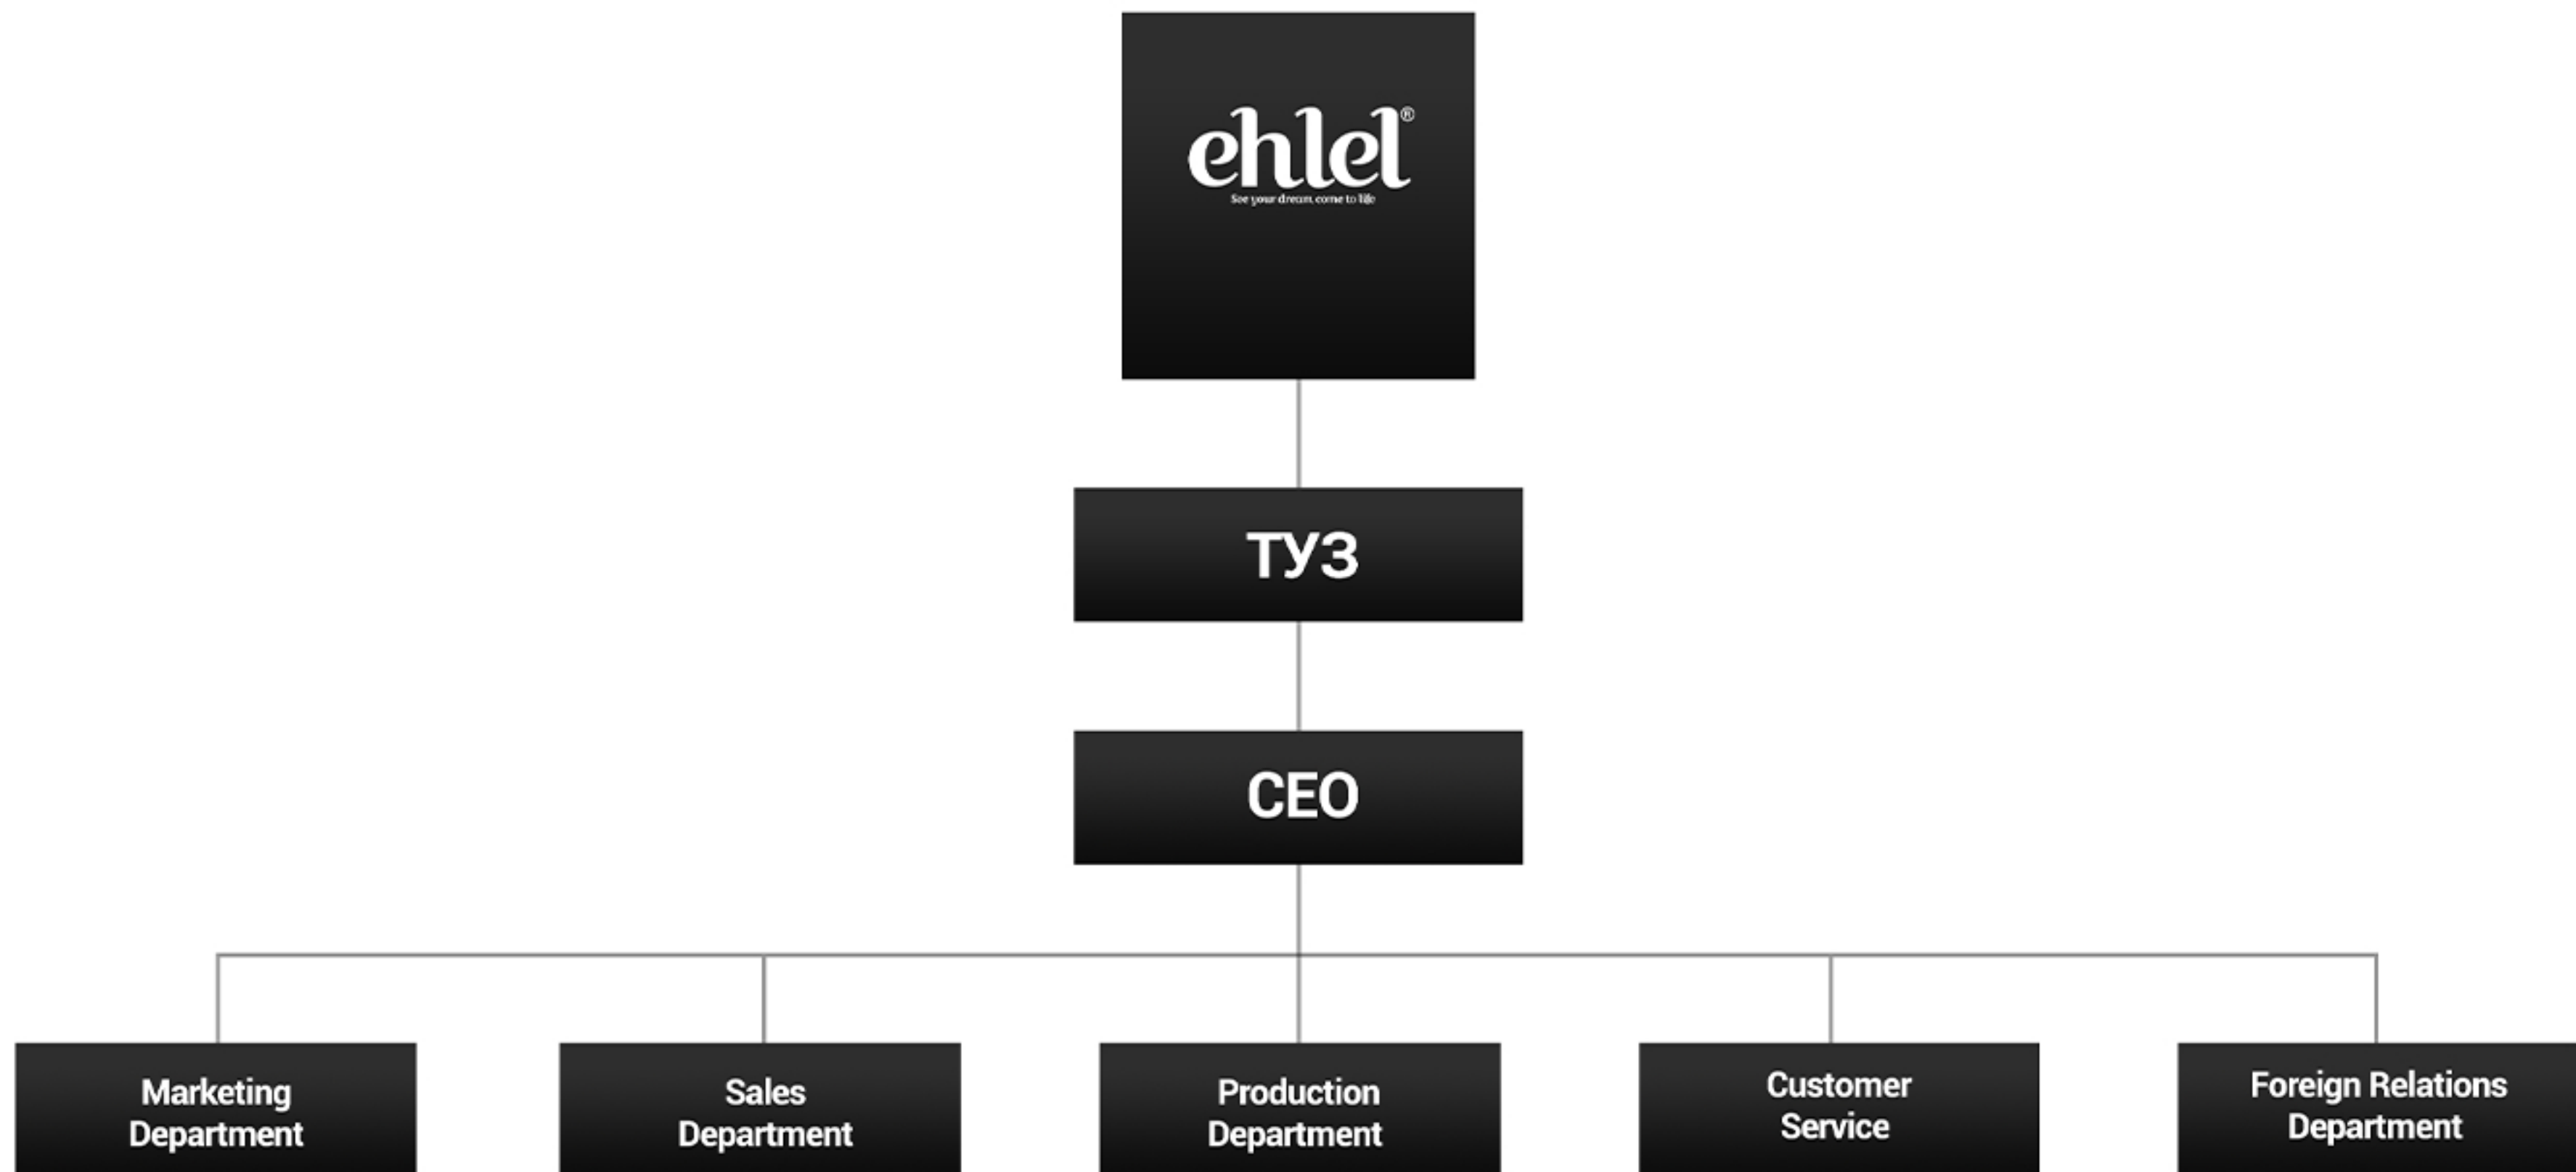

Company History

Ehlel Brand

BT-10 Longer Listening Time

Wireless Bluetooth Earphone

Product Specifications

- Wireless Bluetooth version: v4.2 + EDRV1.0 v1.1 v1.2 v3.0
- Product weight: 17g
- Battery capacity: 110mAh, charging time 8-9 hours
- Wireless distance: 10m wave pull
- Wireless frequency: 2402MHZ - 2480MHZ
- Voltage: 3.6v - 4.2v
- Charging voltage: 5V/100MA-300MAa

Amazing Sound Shakes Your Heart

Encok 3.5mm Wired Earphone H19

Product Specifications

- Frequency input voltage: 3mW
- Maximum input voltage: 5mW
- Material: ABS+silicon+TPE wire
- Input: 3.5mm nickel plated plug
- Cable length: 1.2m
- Speaker outer diameter: 6U

ehlel®

High Fidelity Audio

Hi-Fi Audio Quality

Product Specifications

Material: Aluminum alloy + cotton wire + TPE

Length: 1M

Both End: Male to male

Plug socket: 3.5MM

Connector: 24K gold-plated

Conductor: Enamelled copper

Suitable for: Speaker/car audio/headphones

ehlel®

Longer Listening Time

Product Specifications

- Input voltage: 100-240v - 50/60Hz 0.6A
- Output voltage: 5V-3A, 9V-2A, 12V-1.5A
- Fast charging
- Strong and durable
- Quick charger with Qualcomm technology
- Plastic surface and high durability
- Intelligent

ehlel®

Quick Charge 3.0

2 Slot Fast Charge Adapter

Product Specifications

- Input voltage: 100-240v - 50/60Hz 0.6A
- Output voltage: 5V-3A, 9V-2A, 12V-1.5A
- Fast charging
- Strong and durable
- Quick charger with Qualcomm technology
- Plastic surface and high durability
- Intelligent

Enjoy The Best Audio Transmission

relax your tired soul

ehlel®

Product Specifications

- Input voltage DC5v/1A - 5V/2A - *5V/4A
- Cable length: 1.0m
- Fast forwarding
- Super compatible
- CD player
- Notebook
- IOS & Android

Quick charge 3.0 Car Adapter

Qualcomm quick charge 3.0 technology
Multi port fast car charger

Mini

18w high power

Dual Port

LED Light

Product Specifications

- Input voltage: 5V3A USB2
- Output voltage: 3.65V-6.5V/3A 6.5V-9V2A 9V-12V/1.5A
- Fast charging with combined input
- Protected against overheating.
- With microwave protection.
- With IC sensor
- Quick Charge 3.0
- Protected against high voltage and static charge.

Metal earphone

Beautiful Sound
Good Special Effect

3.5mm Gold-plate

Product Specifications

- Internal resistance: $16 \Omega + 15$
- Frequency range: 20 Hz ~ 20 kHz
- Sound output: HD Stereo, Surround
- Controls: Volume, Pause
- Cable length: 1.2m+

ehlel[®]
Electronics

PROMIX

Good Sound Quality
Your best choice

3.5mm
Gold-plate Jack

Ehlel.Inc
Ehlel Electronics Co.Ltd

Product Specifications

- Frequency input voltage: 3mW
- Maximum input voltage: 5mW
- Material: ABS+silicon+TPE wire
- Input: 3.5mm nickel plated plug
- Cable length: 1.2m

Enjoy A Journey Into Sound

5.2 Surround Sound Earphones for all
devices with 3.5mm jacks

Product Specifications

- Internal resistance: $16 \Omega + 15$
- Frequency range: 20 Hz ~ 20 kHz
- Sound output: HD Stereo, Surround
- Controls: Volume, Pause
- Cable length: 1.2m+
- Comfortable to wear
- Stereo sound
- High quality
- Metal head
- Microphone

ehlel®

FXPRO

Your space is yours

Product Specifications

- Internal resistance: $16 \Omega + 15$
- Frequency range: 20 Hz ~ 20 kHz
- Sound output: HD Stereo, Surround
- Controls: Volume, Pause
- Cable length: 1.2m+
- Comfortable to wear
- Stereo sound
- High quality
- Metal head
- Microphone

MegaBass

Wireless Bluetooth Earbud

ehlel®

Product Specifications

- Easy to use
- Bluetooth 5.1 chip
- 200mAh will work continuously for 24 hours
- Works at a distance of 10m-20m
- Microphone and control package
- High quality clean sound

ehlel®

Power Delivery Fast Charge Adapter

Dual ports 18w, Quick charge 4.0

Equipped with
QC 4.0 protocol

Dual Ports for fast
charging 2 Devices

Multiple
protection

Fast
Charging

Product Specifications

- Input voltage: AC 100-240V 50/60Hz 0.5A
- Output voltage (PD): DC 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A
- 30W Power Supply Fast Charger,
- Compatible with PPS technology, QC3.0/QC4.0/QC4.0+
- Soft activation, over voltage protection and under voltage protection
- Overcurrent protection, Short circuit protection, Low temperature protection

18W PD FAST CHARGER

Perfect for iPhone 8-13 Series

Product Specifications

- Input voltage: AC 100-240V 50/60Hz 0.5A
- Output voltage (PD): DC 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A
- 30W Power Supply Fast Charger,
- Compatible with PPS technology, QC3.0/QC4.0/QC4.0+
- Soft activation, over voltage protection and under voltage protection
- Overcurrent protection, Short circuit protection, Low temperature protection

Power Bank

Super Flash Charging

Voltage **10000mAh** Power Bank

Product Specifications

- Input voltage – 5V-2A (Micro USB / TYPE C, PD)
- Output voltage – USB (5V-2A)
- Indication – LCD screen to show power level
- Capacity -10000mAh
- Material – Metal Alloy

ehlel®

SmartCore

Wireless Bluetooth Smartwatch

Smart & Easy to use

Product Specifications

System: Android OS

Capacity: 300mAh

ROM: <128MB

15-day battery life

IP67 water protection

Anti-fingerprint touch screen

Innovative Nano Silica Gel

Fitness tracker on your wrist

Screen type: TFT

Charging time: 2.5 hours, 25° constant temperature.

100W

Huge Power Output

Charge everything faster than ever

FAST CHARGE
100W

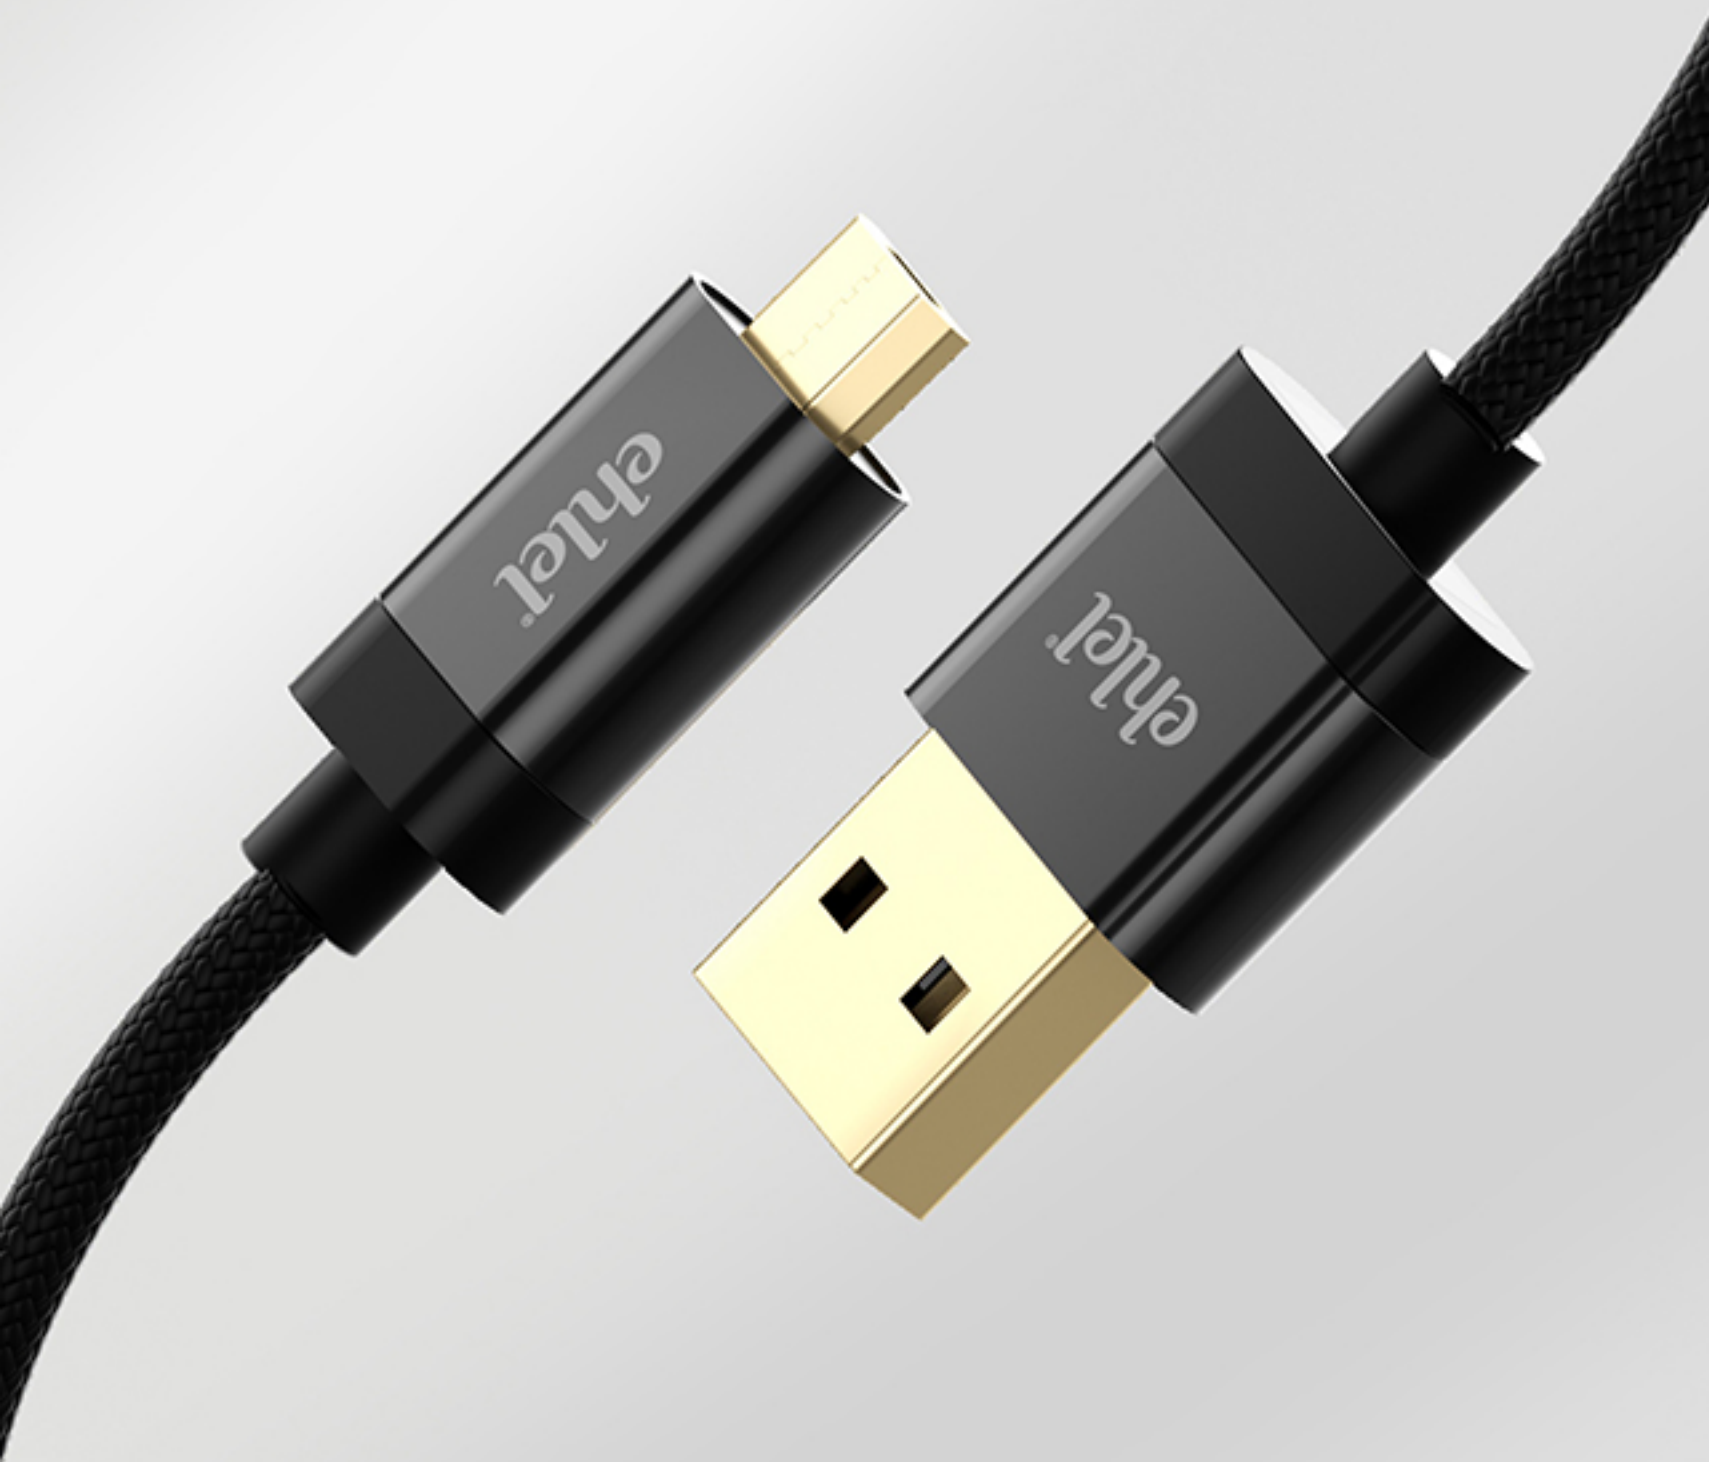

Product Specifications

- Fast and safe charging – 2.1A current and pure copper wire allow faster and safer charging.
- Function: Charger/ File transfer
- Length: 1 m
- Official title: /with MFi certificate/
- Connect to any adapter and power transmission device with USB input.
- Information transfer
- Connect to the USB input of the data transfer device.
- By making a connection, it is possible to perform actions such as copying of data transfer.

3A Fast Charge

Type-C & Micro USB Cable

2.4A Max

Anti-Tangle

Original Chip

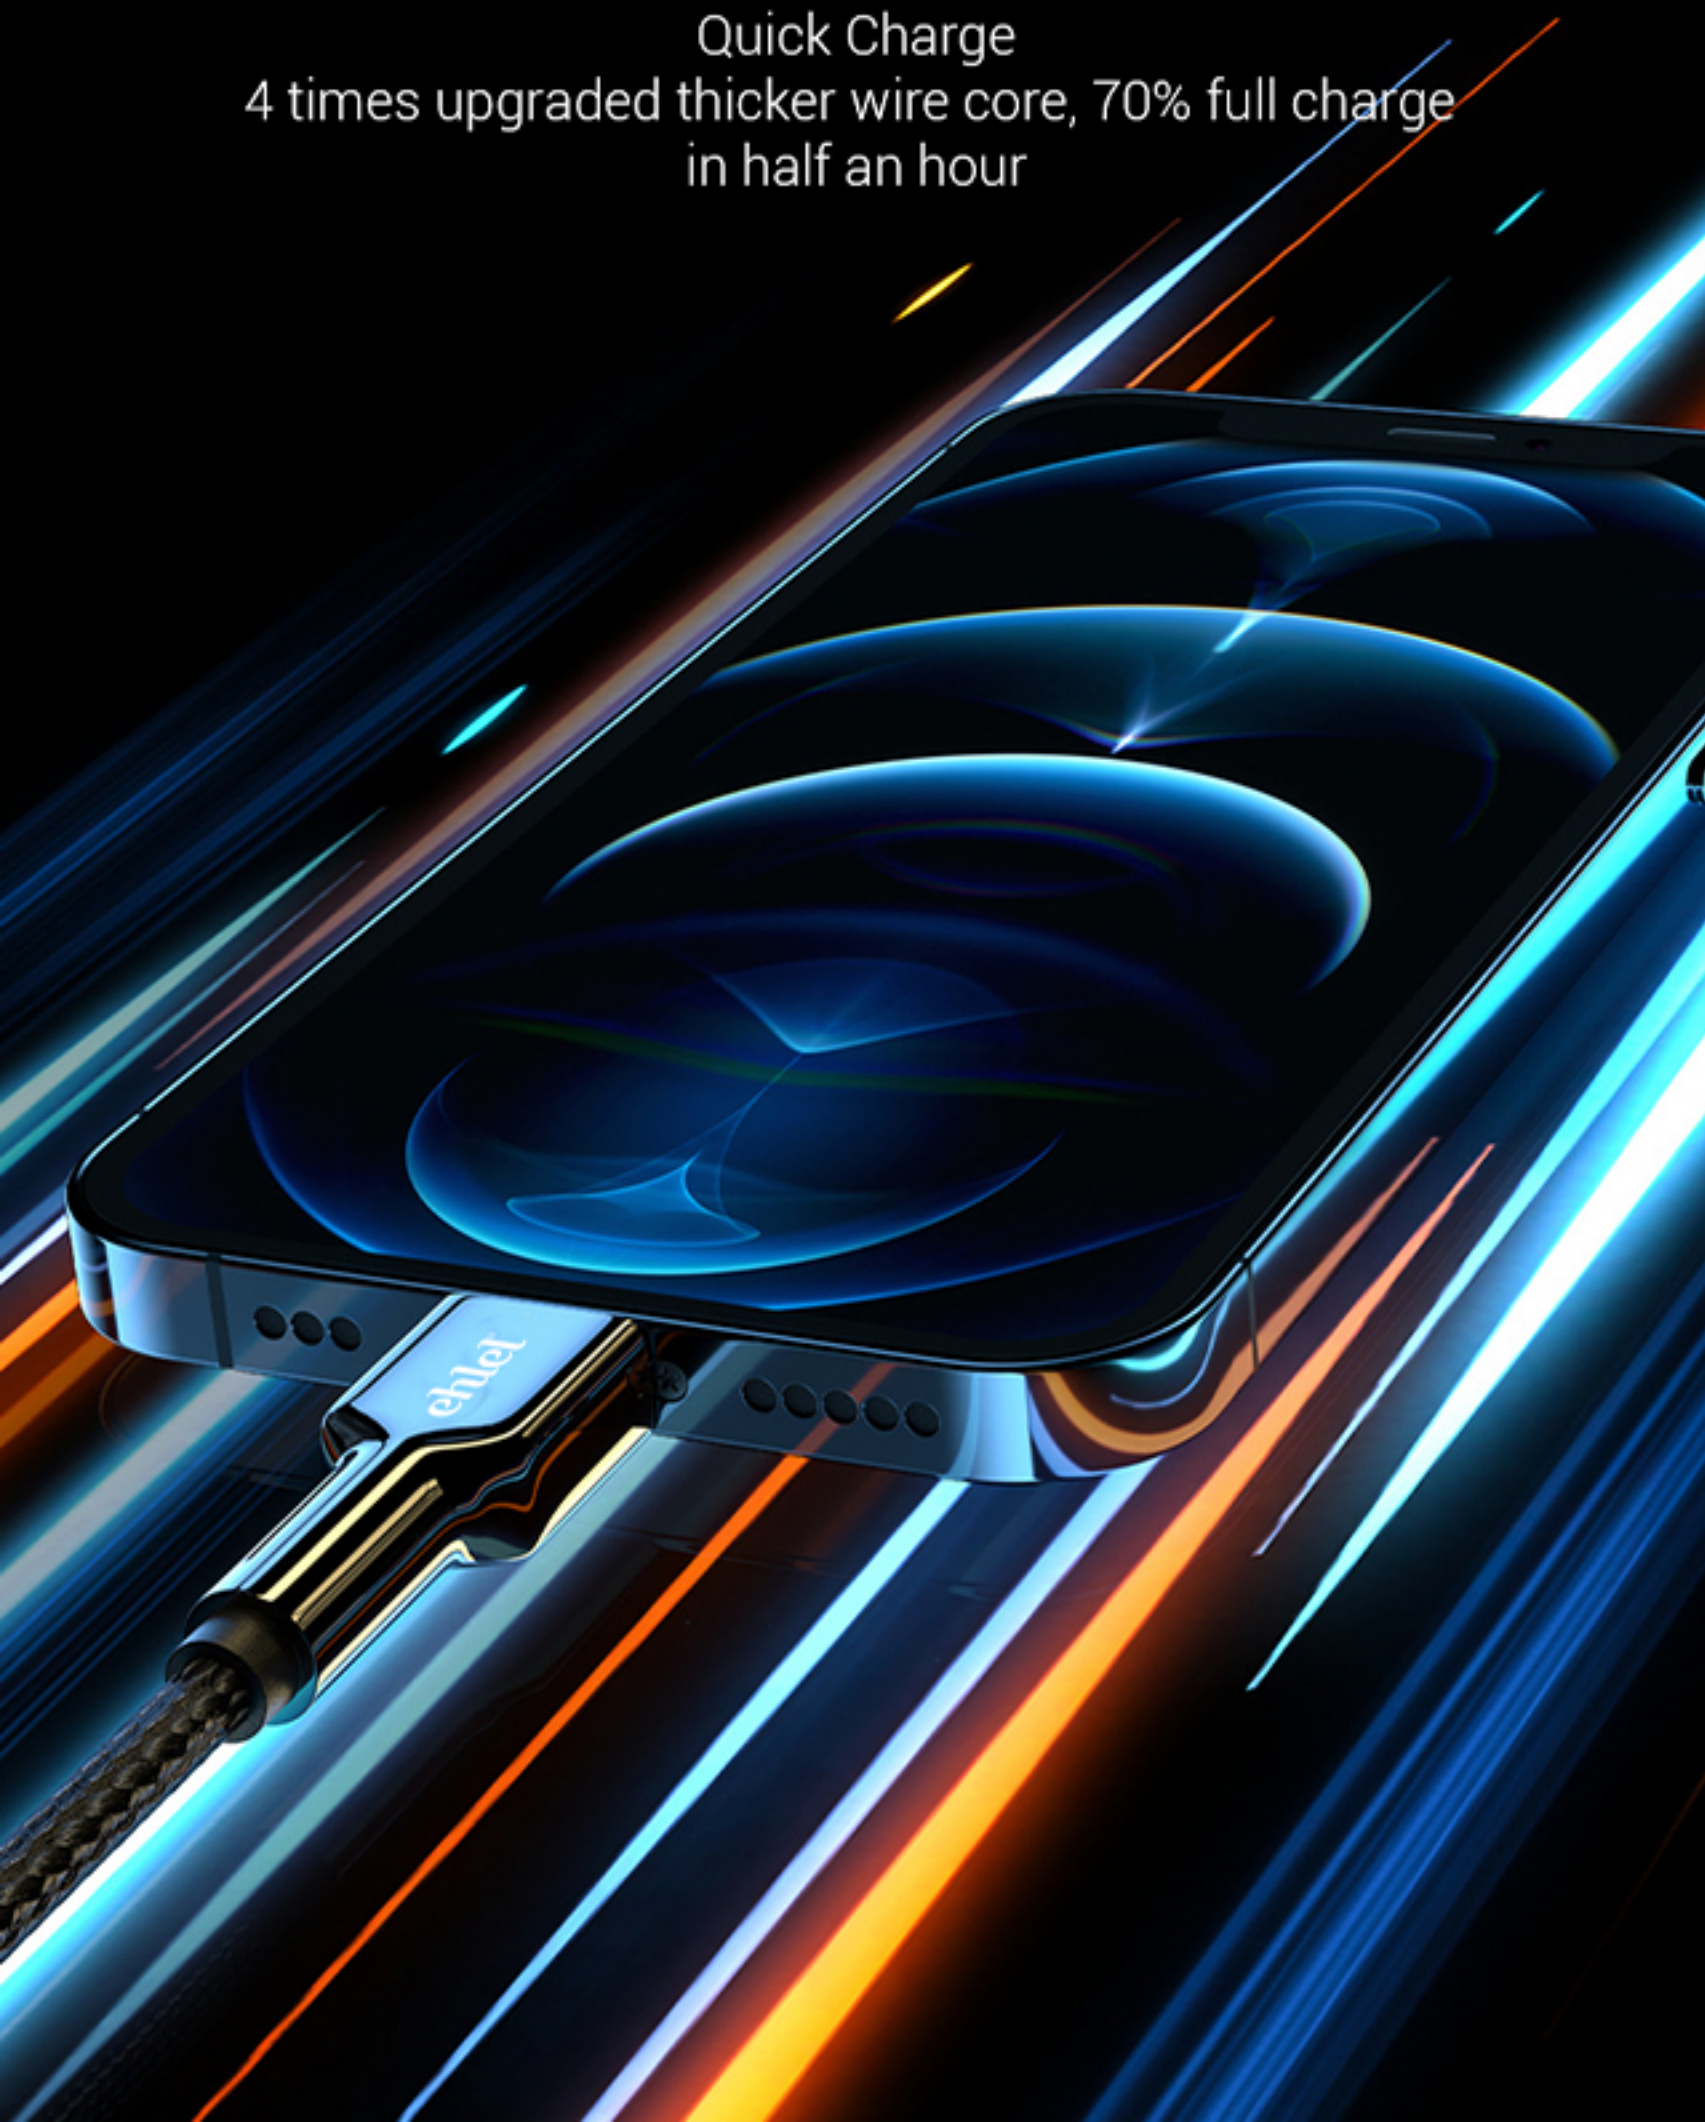

Product Specifications

- Capacity: DC5V/1A-5V2A-*5V/4A
- Functions: Charger/ File Transfer
- Cable Length: 1.2m
- Fire resistant material
- Durability material
- Fast charging
- Data transfer

ehlel®

200W Flash Charging Cable is really fast

Quick Charge
4 times upgraded thicker wire core, 70% full charge
in half an hour

Product Specifications

- Material: Zinc alloy + braided rope
- Power: 200W
- Output: 6A
- Length: 1 M
- Wire Core: Tinned copper
- Thickness: 4.0MM outer diameter
- Suitable For: Charges phones and tablets at high speed
- Transmission Speed: transmissions up to 480 Mbps
- Life Span: 5,000+ bending life span

ehlel®

PD-200W Super Fast Charge

E-Maker Chip

The Secret of Super Power
Safe and Fast Charging

The new generation of E-Maker intelligent management chip automatically identifies equipment and matches the maximum power safety current, the whole process of intelligent temperature control is really transparent and visible.

PD 200W Super Fast Charge

Product Specifications

- Material: Silica gel + braided rope
- Power: 200W
- Output: 6A
- Length: 1.2 M
- Wire Core: Tinned copper 75/0.1TS*2C+16/0.08TS*3C
- Thickness: 4.0MM outer diameter
- Suitable For: Charges phones and tablets at high speed
- Transmission Speed: transmissions up to 480 Mbps
- Life Span: 5,000+ bending life span

ehlel®

**Fitband
Smartwatch**

Product Specifications

- Material: Silica gel + braided rope
- Bluetooth: Bluetooth 5.1
- Waterproof: IP68
- Color : Black, White, Pink, Green, Red
- Mode: Sport mode
- Connection type : Wireless Bluetooth
